ExComm Meeting – April 2020

Report

Paulo Vasconcelos - Chair
Justin Wagner – Vice-Chair
Lee Oien - Treasurer
Heidi DeGarmo - Secretary
Best practices for remote conferencing

*Membership Development - Training Topic*

1. **Use a Unique ID for Large or Public Zoom Calls**
   - When you schedule a Zoom meeting, look for the Meeting ID options and choose Generate Automatically. Doing so plugs up one of the biggest holes that Zoom-bombers can exploit.

2. **Require a Meeting Password**
   - One way to protect the meeting is to require a password. You can give the password out only to those who have replied and seem credible. To password-protect a meeting, start by scheduling a meeting and checking the box next to Require meeting password.

3. **Create a Waiting Room**
   - When participants log into the call, they see a Waiting Room screen, the host, lets them in. You can let people in all at once or one at a time, which means if you see names you don’t recognize in the Waiting Room, you don’t have to let them in at all.

4. **Only the Hosts Should Share Their Screen**
   - Make sure your settings indicate that the only people allowed to share their screens are hosts. You can enable this setting in advance as well as during a call.

5. **Create an Invite-Only Meeting**
   - Only people who can join the call are those you invited, and they must sign in using the same email address you used to invite them.

6. **Lock a Meeting Once it Starts**
   - While the meeting is running, navigate to the bottom of the screen and click Manage Participants. The Participants panel will open. At the bottom, choose More > Lock Meeting.

7. **Kick Someone Out or Put Them on Hold**
   - During the call, go to the participants pane on the right. Hover over the name of the person you want to boot and when options appear, choose Remove.

8. **Disable Someone’s Camera**
   - If someone is being rude or inappropriate on video, the host can open the Participants panel and click on the video camera icon next to the person's name.

9. **Prevent Animated GIFs and Other Files in the Chat**
   - In the chat area of a Zoom meeting, participants can share files, including images and animated GIFs—if you let them.

10. **Disable Private Chat**
    - Open Settings in the Zoom web app (it's not in the desktop app). On the left side, go to Personal > Settings. Then click In Meeting (Basic). Scroll until you see Private chat. When the button is gray, it's disabled.

Remote Conferencing

News from IEEE

- **WebEx**
  - Up to 1,000 – *contact IEEE if expect more than 100 meeting participants*
  - Request a WebEx session to Secretary ([Heidi DeGarma](mailto:Heidi.DeGarma@ieee.org))

- **Google Hangouts Meet**
  - Comes with ieee.org email
  - Business-oriented version of Google’s Hangouts platform
  - Suitable for GROUPS of all sizes.
  - Integrates with G Suite versions of Google Calendar and Gmail and shows the complete list of participants and scheduled meetings.

- **Google Hangouts Classic**
  - Comes with ieee.org email
  - Works well for small groups (10 – 15 participants)

Best practices for events in vTools

*Membership Development - Training Topic*

- Make sure to include a catching graphic and title
- Include the following questions to engage potential attendees:
  - Who should attend?
  - Why they should attend?
  - How will they use the knowledge gained after attending?
- Send e-notice 1 week before the event and then schedule for 2 days prior event.
- Send verbiage for our Social Media Collaborator posts ([Collabratec](https://collabratec.org), [YP Meet-up](https://ypmeetup.org), [LinkedIn](https://www.linkedin.com), [Facebook](https://www.facebook.com) and [Twitter](https://twitter.com)).
  - Use short post in LinkedIn (about 240 characters with spaces) with a graphic.

Senior Member Elevation

Region 6 Meeting – April 18th

- AR:
  - Create slide with Senior Member Elevation requirements
  - Send to Chapter Chairs for them to advertise during meetings

Become a Senior Member

Membership Requirements

Oregon section will help with the application process as well as getting references.

For information on becoming a senior member or to start an application, please contact:

Dhivakar Agarwal: dhivakar@ieee.org
Paulo Vasconcelos: paulo.vasconcelos@ieee.org

To start an application:

1. Update your work and education on IEEE site. Please ensure to fill out the start date, end date, city, university, and degree.
   2. Sign in at the top of the page
   3. Click on your name at the top -> Select “My Account”
   4. Select “Professional and Education Information” on the left under “Manage your profile”
   5. Update the information

2. Contact Dhivakar@ieee.org to start the application. Please provide:
   1. CV - Please provide (as applicable) education, work experience, publications, patents, involvement with IEEE
   2. Provide text or word document highlighting of significant performance in any 5 years. Specify the time period, performance in that period and its impact. Mention publications and patents. It is ok if you do not have publications or patents.
   3. Oregon section will initiate your application and get references. You may also seek references from IEEE Senior members who are familiar with your work.
